Dear

Detailed guidelines were issued on 15.10.07 to all Project Directors regarding the steps to be taken for filling up the vacancies in SACS for NACP - III. A copy of the letter written to PDs has also been made available to Secretary (Health) of the concerned States on 12.12.07 requesting to expedite action. A D.O letter from AS&DG was also sent to Secretary (H) of the concerned States emphasizing the need to fill up the posts with suitable candidates for proper and speedy implementation of the various programmes /activities of NACP -III.

It has come to notice that in some cases advertisements have been released and the process of selection is on, but there is no clarity on the procedures being adopted for filling up the posts.

The following clarifications are offered:-

Regular posts

1. To be filled on deputation from State Govt. / PSUs
2. In case of failure to get people on deputation, after making two such attempts, proposals for filling up such posts by contract are to be submitted to NACO for approval.
3. Approval for such conversion from NACO will accompany the consolidated emoluments to be offered
